If Yes, please state the circumstances of this action: _____

A permittee is required to comply with the requirements of Chapter 163.30.

I certify that information provided on this application is true and accurate under penalty of law.

(Date)

(Signature of Applicant)

163.30 Swine imported or native—pig dealers.

1. This section shall apply to all swine moved interstate and intrastate, except swine moved directly to slaughter or to a livestock market for sale directly to a slaughtering establishment for immediate slaughter.

2. when used in this chapter:

a. “Dealer” means any person who is engaged in the business of buying for resale, or selling, or exchanging swine as a principal or agent or who claims to be so engaged, but does not include the owner or operator of a farm who does not claim to be so engaged, and who sells or exchanges only those swine which have been kept by the person solely for feeding or breeding purposes...

3. No person shall act as a dealer without first securing a dealer’s license from the department. The fee for a dealer’s license shall be five dollars per annum and all licenses shall expire on the first day of July following date of issue. Licenses shall be numbered and the dealer shall retain the number from year to year. To secure a license, the applicant must file with the department a bond in the sum of ten thousand dollars with the secretary named as trustee for the use and benefit of anyone damaged by a violation of this section, except that the bond shall not be required for dealers who are bonded in the same or a greater amount than required pursuant to the federal Packers and Stockyards Act.

Each employee or agent doing business by buying for resale, selling or exchanging feeder swine in the name of a licensed dealer, shall be required to secure a permit and identification card issued by the department showing the person is employed by or represents a licensed dealer. All such permits and identification cards shall be issued upon application forms furnished by the department at a cost of three dollars per annum, and shall expire on the first day of July following the date of issue.

A permittee shall not represent more than one dealer. Failure of a licensee or permittee to comply with this chapter or a rule made pursuant to this chapter is cause for revocation by the secretary of the permit or license after notice to the alleged offender and the holding of a hearing by the secretary. Rules shall be made in accordance with chapter 17A.

21–66.20(163) Revocation or denial of permit. The department may revoke or refuse to issue or renew a livestock dealer permit, a pig dealer license, or a livestock dealer agent permit or a pig dealer agent permit if the department finds that the applicant, a person with an ownership interest in the applicant, or an individual employed by the applicant has done any of the following:

1. Has not filed or maintained a surety bond in the form and amount as required by Iowa Code section 163.30.

2. Has violated the provisions of Iowa Code chapter 163, 163A, 164, 165, 166, 166A, 166B, or 166D or the rules adopted pursuant to those chapters.

3. Has made false or misleading statements as to the health or physical condition or origin of livestock or feeder pigs, or practice fraud or misrepresentation in connection with the buying or receiving of livestock or feeder pigs or the selling, exchanging, soliciting or negotiating the sale of livestock or the weighing of livestock or feeder pigs.

4. Has failed to maintain and keep suitable animal health and movement records as required or to provide access to the department to the records.

5. Has had a license or permit suspended or revoked or has been otherwise barred from engaging in the buying, selling, assembling livestock or feeder pigs, or receiving livestock or feeder pigs on consignment by either the USDA or by another state unless the department concludes after an investigation that the facts leading to the suspension or revocation demonstrate that granting the license or permit will not create a substantial risk to the Iowa livestock or feeder pig industry. This paragraph shall also apply if there is a pending action to suspend or revoke a permit.

6. Has failed to comply with any lawful order of the department or a state or federal court.
